A FAMILY AFFAIR

Wine Tasting for 4 in Santa Barbara Wine Country

When Fess Parker purchased the 714-acre Foxen

#79

Starting Bid **\$75.00**

Retail Value \$150.00

Donated by **Fess Parker Winery**

When Fess Parker purchased the 714-acre Foxen Canyon Ranch in 1988, his dream was to start a family business that future generations would want to be a part of, expand upon and ultimately make their own. Fess passed away in 2010 but the businesses he founded remain in good hands with second and third generation family members stepping up and taking the reins. His wish to remain family owned and operated is alive and well.
