

Homelite Gas Powered Leaf Blower

#52

Starting Bid **\$45.00**

Retail Value \$100.00

Donated by **John Nieman**

You have a lot of choices to make when you're looking for a good gas blower. Homelite makes the decision a little easier with the Homelite 2-Cycle Gas Blower: a perfect combination of value and performance. The powerful 26cc engine delivers speed up to 150 MPH/400 CFM and the quick-fire starting system lets you get the engine started fast with fewer pulls. This gas blower weighs less than 10 lbs. so you can enjoy the benefits of gas power with
