

Framed Original Monoprint by International Artist Patrick Cheung

#102

Starting Bid **\$100.00**

Retail Value \$250.00

Donated by **Abe Feder**

Hoi Yan Patrick Cheung was born into an artistic family, where he was taught and inspired by both his parents. Paintings became an essential driving force in Patrick's life. Academically, Patrick completed both his master's degree and doctorate in design science at Arizona State University. His early research explored the impact of manipulating time and sequence in visual perception, and his later dissertation integrated traditional design
